Vengeance

T. Ryan. 2. 1. 7
J. Rognås.

I'm going to town,
Keep my feet on the ground,
All the people stop to stare,
As I'm walking around.

Five years ago they say,
I killed a girl and ran away,
But what they didn't know,
Was she's my sister.

I followed a man,
To kill him if I can,
Vengeance was in my brain,
I know I've done wrong,
There is a price I have to pay,
Vengeance was mine,
He'll rot in hell for all time.
