No STRINGS

T. Ryan. 1. 8. 75
J. Rognås.

Cast a dear look all around,
Are you satisfied with what you see,
Are you your own man,
Or do you want to be free,

Did you sell your soul for money and greed,
Are you jealous of what others have got,
Do you really need what you see,
If you follow the system who's pulling
The strings.

I belong to no one,
No one belongs to me,
Do you stop at red lights,
Or carry on to green.

Whats wrong is right,
Whats right is wrong,
Whats wrong is right,
Whats right is wrong.

I have no need no money,
I don't know what is greed,
I go through all the lights
There's no strings attached to me.
