BRINK OF Nowhere.

T. Ryan. 1. 8. 75

J. Gustavsson

Whats going on,  
What do I see,  
My world is crumbling,  
I want to be free.

I can't go back,  
I must go on,  
Need to find some facts,  
Which will help me on.

I'm on the brink of nowhere,  
Nowhere have I been,  
I'm on the brink of nowhere,  
Nowhere have I been,  
My mind is like a black cloud,  
Tripping me out of sanity.

But I strive to find,  
Some kind of peace of mind,  
That I won't be so blind,  
But what is it I see.
